By becoming an RBAG member you are agreeing to abide by all of RBAG bylaws (found on the website **www.rbag.org**) and agree to **actively** participate in activities and operations.

RBAG is a cooperative and volunteer group dedicated to encourage artists and bring art to the community. To be successful, this requires a commitment from the members to participate in the running of RBAG and its activities. RBAG cannot function without help from the entire group. We ask that each member attends meetings and has an active role with the running of the organization and its activities.

Please fill out back of form and sign.

In order to participate in shows, all artist members must agree to actively take part in activities and/or committees throughout the year to help RBAG stay vibrant and functional. These can be ongoing commitments or short term activities. Please sign up below as to your interests. You can put your name in more than one category. Ideally several people could help in the same category. Artists who wish to show art must also attend meetings and help at the shows.

Donor members will be listed on our website and show publications. These members are financially helping RBAG promote guest artists at our meetings, help finance shows, and expanding the visibility of art in the community.

Donor and sponsor member (monetary donation towards Power of Art, Shows, RBAG, etc)
Fundraising (helping to acquire donors and sponsors. This is not a chair position; it is assistance to the chair. The more people help, the lighter the load and the better shows we can have. This will determine if we have a Power of Art show this year)
Publicity (seeking ways to publicly bring in art lovers to shows and events. Ex: email list expansion, printed flyers and posters, seeking out publications and other avenues to feature RBAG and art, etc)
General meeting assistance (helping to set up the equipment for our guest speakers. Looking for 5-10 people to do one or two meetings each. Signing up with Hospitality to bring snacks to meetings, Helping to take down equipment, assisting guest artist with their set up and tear down.)
Exhibition and event help (seeking possible venues for gallery or fair shows. This is separate from single event help)
Exhibition/event chairs (organizing shows. Several shows are just a matter of following thru with current commitments and making sure venue and artists are ready. You would have help from experienced members) NOTE:Any artist showing art at an event is required to help at that event and sign up for specific duties.
Photographers (people taking pictures of meetings and events and submitting to a chair person)
Other: (please specify what you would like to do)

Please remember, we can only be as successful as the dedication, commitment, and active participation of our members. *You are the Power of Art!*
